

2018 – 2019 UNIFORM INFORMATION

ALL CHEERLEADING UNIFORMS are to be considered the property of the Randolph High School Athletic Department and have been purchased for the exclusive usage of the cheerleaders participating in the Randolph High School Freshmen, JV, Varsity and Competition Cheerleading Squads.

ALL CHEERLEADING UNIFORMS are an expenditure totaling an amount of approximately \$35,000.

We expect that these uniforms be used by students involved with the cheerleading squads for multiple seasons. For this reason, the uniforms on loan to our cheerleaders must be properly used and maintained. Below are the expectations, conditions and requirements for accepting the loan of a cheerleading uniform on behalf of a student.

This loan contract agreement must be signed by the parent or legal guardian of the participating student accepting full financial responsibility for the protection, care and return of the uniform. It is the responsibility of the students and parents and/or guardians to return the loaned uniform in the identical condition in which the uniform was originally issued. Below is a table explaining the cost of each component of the uniform so that you may be aware of the monetary value of each cheerleading uniform for which you will be accepting responsibility.
